A Practical Guide To Fulfillment: Ten mantras to live a fulfilling life By Adi Chanda

Do you feel like you want some more meaning in your life but not too sure how to get started?

Well then you've definitely come to the right place. In A Practical Guide to Fulfillment: Ten mantras to living a fulfilling life, I talk about the ten simple yet highly effective mantras that I live by in order to find more meaning in my life.

After going through a fairly painful experience, I started to take some deliberate actions to revamp my life. I wanted to start living with a purpose, where I could be a better person and help people at the same time. It was a pretty tough journey and a lot of the times I wasn't sure about what I was doing but a year or so later, I find the actions that I was taking consciously to be an extension of myself. I've made a ton of new friends, feel a lot better about myself and have even had the opportunity to help a few people.

So what will you get from this book?

Well as I progressed through my journey, I started reflecting a lot more. I came to realize that my deliberate actions were no longer so and I was doing them reflexively. I also realized that I was now living by ten mantras, which helped me reconfigure my life. These are what I talk about in the book.

Be sure to download this book and embody the mantras that it contains to start living a fulfilling life that will ultimately make you the happy person that you deserve to be. All the best, my friend.
