### Submission is Power

Travis nailed his job interview and was offered the executive/personal assistant position on the spot. He wanted a high paying job and got it. But he also said to himself many times that he'd never do unethical things just to get ahead. What happened during the interview was not typical and unexpected; however, Travis kept his cool and went with the flow. Troy, his new boss, was exactly the type of powerful man he was sexually attracted to, and this power offered Travis something he could not refuse.
