**Dead Space: Martyr (Dead Space Series) By Brian Evenson**

**The first novel in the multi-million dollar video game franchise Dead Space**

When geophysicist Michael Altman hears of the mysterious signal emitted from deep within the Chicxulub crater, he can not resist the lure of an undiscovered artifact. With his girlfriend Ada, he joins a team excavating the underwater crater, determined to find the source of the baffling message. The artifact, named "The Black Marker," possesses a mysterious power. Close proximity to the stone causes strange occurrences: visions of the dead, vivid dreams, and violent murders. When Michael secretly obtains a small piece of the marker, he too begins to dream.

The Black Marker has chosen him to hear his message: You need to prove yourself worthy of eternal life, or the slate will be wiped clean on Earth.

This is the story of the origin of "The Black Marker," the foundation of the Church of Unitology, and a discovery that will change the world.
