Love Is...In Bloom By Kim Casali

The story behind these delightful cartoons is as charming as the drawings themselves. In the 1960s a shy artist named Kim Casali found she could best express her feelings to the man who would eventually become her husband through her charming drawings, which he would find every day in the most unlikely places. Roberto not only treasured and saved them all, he recognized their universal message of hope and love. He shared the first with *Los Angeles Times* readers in 1970 and today these heartfelt drawings are treasured by over 100 million people in 50 countries. This third collection presents 365 new drawings —now retro, impactful, and delightfully witty. Do you remember when we believed love could save the world? Maybe not so farfetched an idea today!
