**Praying Through the Bible: Volume 1: Genesis-Joshua** By Markus McDowell

*This book taught me more about prayer and grew my prayer life more than any single resource I have found.* Janet Severson (London)

*A unique study and devotional book on prayer—McDowell's knowledge of the prayers and ability to apply them to the practice of prayer is unparalleled.*  
Jonathan Schneider (Tampa)

Those of us who pray often feel that our prayers could do better. We might wish we prayed more often, or that the words of our prayers were better (whatever that means to us). Maybe we wonder if we are praying correctly. (We should remember that, since God is our Father, He is pleased if we talk to Him at all—even if it is infrequently or shallow.)

Most of us never had anyone teach us how to pray. We mimicked what we heard from others. So we find ourselves saying the same things in the same way. We yearn for a way to enrich our prayers and add variety and depth.

This book can help. Scripture contains hundreds of passages about prayer, with much richness and variety. Studying them is an excellent way to enrich our own prayers.

This volume contains a chapter for each of the 40+ prayers in Genesis through Joshua.

Each chapter includes the text of prayer passage, followed by a study of its background, an exploration of its meaning, and an application of what we learn. The introduction includes an exploration of studying the Bible and an overview of every type of prayer: praise, thanksgiving, petition, intercession, vow, confession, repentance, lament, blessing, and curse.

Well-suited for either personal or group study and devotional.

### Editorial Review

#### Review

"This book taught me more about prayer and grew my prayer life more than any single resource I have found." -*Janet Severson (London)*

"A unique study and devotional book on prayer-McDowell's knowledge of the prayers and ability to apply them to the practice of prayer is unparalleled." -*Jonathan Schneider (Tampa)*

"This unique devotional study will increase your understanding of prayer, enrich your own prayers, and provide sound biblical knowledge of prayers in the Bible." -*Publisher*

#### From the Back Cover

Do your prayers seem lifeless or ineffective? Do you find yourself not knowing what to pray? Or how to pray?

What better way to enrich your prayer life than to study the prayers in the Bible? This book takes the reader through every prayer, prayer teaching, or reference to prayer in Genesis, Exodus, Leviticus, Numbers, Deuteronomy, and Joshua. Combining Bible study with practical application, each chapter explores the Bible's presentation of prayer.

The book begins with a general discussion of prayer, some ideas about how to approach biblical studies, and a description of the nine types of prayer. Then, each prayer passage is explored, beginning with the prayer itself, followed by a looks at its setting, context, and meaning. This deeper understanding of the passage leads to some ideas about what it teaches about prayer and how we can use it to enrich our own prayers.

Perfect for daily or weekly devotional or a Bible study about prayer for individual or group study. Includes an appendix and an index.

#### About the Author

Markus McDowell is a writer, editor, and researcher. He has lectured at universities in the US, Europe, and the UK, and holds a Ph.D. from Fuller Theological Seminary and a law degree from the University of London. An expert on prayer in the ancient world, he is a the author of *Prayers of Jewish Women: Studies of Patterns of Prayer in the Second Temple Period*, *Prayer in the Ancient Stoic Tradition*, and *Epistolary Prayer in the Apostolic Fathers*.
