### Editorial Review

#### From the Author

This book was a labor of love in response to the many people who have been struggling to make sense of social media and get a real picture of how social and emerging media is working for and with them to make their goals reality. I hope it helps you figure out metrics and use that knowledge and the power it gives you to reach your goals, whatever they may be.

Find me online and tell me about your goals and how metrics helped you reach (and exceed) them, or just tell me your story here.

I can't wait to get to know you!

All The Best To You,  
Leslie Poston
