### **Editorial Review**

#### **About the Author**

As Santa I am most grateful to have a book that I can read where it is being told as if I were the one telling the story. I have been reading "The Night Before Christmas" as part of my visits since 1978. This is something that I have always dreamed about doing for a long time. I am glad that we could include the original sketches in the 'Activity Pages" to make a better experience for the children. If you are having a Santa visit your home as part of your Holiday Celebration, I am sure that your Santa will be glad that you purchased a copy of the poem published especially for him.
