USA Today Bestselling author

When she's not writing, Vanessa savors the insanity of raising two boys, is figuring out how many meals she can make with a pressure cooker, and teaches a pretty mean karate class. She considers herself to be remarkably normal, exceedingly introverted and fairly vanilla, which does not explain her steamy stories and her fascination with cowboys, preferably more than one at a time. She lives in the Wild Wild West where there's an endless source of 'research' material.
