To Mock a Mocking Bird By Raymond M. Smullyan

In this entertaining and challenging new collection of logic puzzles, Raymond Smullyan—author of *What Is the Name of This Book?* And *The Lady or the Tiger?*—continues to delight and astonish us with his gift for making available, in the thoroughly pleasurable form of puzzles, some of the most important mathematical thinking of our time.

In the first part of the book, he transports us once again to that wonderful realm where knights, knaves, twin sisters, quadruplet brothers, gods, demons, and mortals either always tell the truth or always lie, and where truth-seekers are set a variety of fascinating problems. The section culminates in an enchanting and profound metapuzzle (a puzzle about a puzzle), in which Inspector Craig of Scotland Yard gets involved in a search of the Fountain of Youth on the Island of Knights and Knaves.

In the second and larger section, we accompany the Inspector on a summer-long adventure into the field of combinatory logic (a branch of logic that plays an important role in computer science and artificial intelligence). His adventure, which includes enchanted forests, talking birds, bird sociologists, and a classic quest, provides for us along the way the pleasure of solving puzzles of increasing complexity until we reach the Master Forest and—thanks to Gödel’s famous theorem—the final revelation.

To Mock a Mockingbird will delight all puzzle lovers—the curious neophytes as well as the serious students of logic, mathematics, or computer science.

Users Review

From reader reviews:

Frances Norman:

The book To Mock a Mocking Bird make you feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can to be your best friend when you getting strain or having big problem using your subject. If you can make reading through a book To Mock a Mocking Bird to be your habit, you can get considerably more advantages, like add your current capable, increase your knowledge about a number of or all subjects. You could know everything if you like start and read a publication To Mock a Mocking Bird. Kinds of book are a lot of. It means that, science book or encyclopedia or other individuals. So , how do you think about this guide?

Carol Boissonneault:

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want attract knowledge just go with training books but if you want sense happy read one with theme for entertaining such as comic or novel. Often the To Mock a Mocking Bird is kind of reserve which is giving the reader erratic experience.

Matthew Thompson:

Reading a guide can be one of a lot of task that everyone in the world adores. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a reserve will give you a lot of new details. When you read a guide you will get new information because book is one of many ways to share the information or their idea. Second, examining a book will make anyone more imaginative. When you reading a book especially tale fantasy book the author will bring someone to imagine the story how the personas do it anything. Third, you can share your knowledge to others. When you read this To Mock a Mocking Bird, you could tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a reserve.

Jeffrey David:

A lot of people always spent their own free time to vacation or go to the outside with them friends and family or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity this is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent 24 hours a day to reading a reserve. The book To Mock a Mocking Bird it doesn't matter what good to read. There are a lot of folks that recommended this book. We were holding enjoying reading this book. When you did not have enough space to bring this book you can buy often the e-book. You can m0ore simply to read this book through your smart phone. The price is not too expensive but this book has high quality.
