#### **About the Author**

Martin Handford began his career as a freelance illustrator specializing in drawing crowd scenes for numerous clients. The turning point came when he was asked to create a book showcasing his singular talent, and the character Waldo was born. "I can't tell you how pleased I am that Waldo has taken on a life of his own," says the man behind the Waldo books. "I'd like to inspire children - to open their minds, to explore more subjects, and to just be aware of what's going on around them.
