**Zionism: The Real Enemy of the Jews, Vol. 1: The False Messiah** By First Last

The False Messiah is Volume I of a monumental history of the Israel-Palestine conflict, *Zionism: The Real Enemy of the Jews*, by a seasoned reporter with a vast first-hand knowledge of the Middle East. It is the first book to put the struggle for Palestine into its global context—to show how all the pieces of a complicated jig-saw puzzle fit together. It's also the first ever account of events to address the motives, needs, and dilemmas faced by all sides: diaspora Jews' real fear of Holocaust II; the Palestinian right to justice and self-determination; the legitimate anger of the Arab masses at American support for Zionism right or wrong; and the inevitable corruption and repression of the regimes of the existing Arab Order who, fearing harsher Israeli assaults, have tried to contain them. As a former BBC Panorama and ITN Middle East correspondent, Alan Hart knew and interviewed most of the main players in the Israel-Palestine conflict (Golda Meir, Moshe Dayan, Shimon Peres, Yasser Arafat and other PLO leaders, George Habash, Nasser, King Hussein of Jordan, King Feisal of Saudi Arabia, and many others). He also exhibits a wealth of research into a full spectrum of viewpoints, to unearth how and by whom the levers of US policy in the Middle East have been pulled from pre-creation of Israel to the end of the Clinton era. Hart takes us well beyond the existing written record, weaving events play by play/player by player, prying out the motivating factors and sequences of events which the surface flow of official histories leave uncovered, where, truly, the devil is in the details. This series is key to understanding US/Israeli relations as developed over the long term, and who has been the primary determiner of policy in the region.

#### **Review**

"In this extraordinary book, Alan Hart has succeeded in elucidating for us the immediate and long term dangers involved in the unconditional Western support for Zionism and its oppressive policies against the Palestinians. The author provides us with a chilling exposure of how this embrace developed and continues to endanger the Jewish existence and fuels the anti-Semitism that refuses to disappear. Motivated by a genuine concern for peace in Israel and Palestine and beyond in the world at large, Alan Hart has written not only a strong indictment of Zionism, based on both research and personal experience, but also provided us with a charter for a better future..."

"I hope that all who are concerned about the troubles of the Middle East will read this book. It is immensely readable and a magnificent piece of work which reflects Alan Hart's close relationship with Israeli and Palestinian leaders. We are in terrible trouble in the Middle East. The book explains how we got here and how we could move forward. The tragedy is hurting Palestinians, Israelis and the rest of the world. All who wish to engage in finding a way forward will be helped by reading this book."

Mark Bruzonsky

World Jewish Congress, first Washington Representative

"As a principled and historical review it is excellent, of great importance I think in terms of content, and the series when finished may even be considered heroic in effort and scope."

Samira Quraishy, researcher, Islamic Human Rights Commission

"Hart's readable account of history, his obviously erudite analysis and his ability in bringing the factual conflict to life on the page ensures the reader's interest is unwavering throughout. His passion and empathy with both sides is apparent. For the Jews, the 'unspeakable fear' of another Holocaust due to Zionist

manipulation and tyranny; and for the Arabs and Muslims, the anger and humiliation they are feeling every day that Palestine is being torn apart."
