### Four-Wheeler's Bible: 2nd Edition (Motorbooks Workshop) By Jim Allen

Four-wheeling expert and fanatic Jim Allen has long been four-wheelers' most respected and reliable guide. This new edition of Allen's bestselling *Four-Wheeler's Bible* includes all the basics for getting the most out of your four-wheeler, along with updates on new vehicles, projects, events, and opportunities. The book begins with basic modifications--such as increasing ground clearance and traction with larger wheels and tires--then gathers speed for more advanced and radical mods, from installing lift kits to increasing suspension articulation. Step-by-step photo sequences guide you through whatever modifications suit your vehicles and your needs.

With the best information on the latest Jeeps and other off-road vehicles; the most trustworthy advice on used and vintage models; and the most up-to-date news about events, courses, and competitions, this new edition of the *Four-Wheeler's Bible* is a resource no four-wheeler will want to be without.

### Editorial Review

#### Review

Indeed, in the world of four-wheeling, 4-Wheeler's Bible is "The Book." -- *Four Wheeler Magazine, April 2003*

Veteran and novice four-wheelers alike will find a plethora of usable trail tricks in this book! -- *Off-Road Adventures Magazine, January 2003*

#### From the Author

I hope you'll enjoy this armchair trip as a companion to the real thing. More to the point, I hope what you read and see in this book will enhance your enjoyment of the world of four-wheeling. You won't be rinsing any grit out of your hair after taking this paper journey, but if it inspires you to more and better real trips, I will be content.

#### From the Back Cover

Whether you're a seasoned veteran or a four-wheeling novice, *Four Wheeler's Bible* has the information you need to maximize the enjoyment of your next off-road excursion. Author and four-wheeling expert Jim Allen explains the concepts of four-wheel-drive systems in easy-to-understand terms and goes on to suggest modifications to make your off-road rig more capable, comfortable, and dependable.

The second edition of *Four Wheeler's Bible* includes updates for new off-road vehicles and the latest technologies that will help you get the most from your four-wheeling experience. With your machine up to snuff, you're ready to hit the trails. Here, Allen demonstrates the right way to handle countless common trail situations. And because everyone makes a mistake eventually, he also shows you how to get yourself and others out of a variety of sticky situations.

There's more to the four-wheeling experience than modifying and driving your rig, though, and Allen has you covered here, too. Trail etiquette, CB radio set up and use, plus information on the latest GPS technology makes sure you are equipped to handle nearly any trip, no matter how far into the wilderness you choose to venture. The *Four Wheeler's Bible* offers indispensable information for anyone who's ready to hit the trails!
