Romantic - Exciting - Hot & Steamy!

Shelly Cox is coming home after her college graduation. She's been away for four long years as she went to Oxford and is finally coming back to the states to hopefully find a job in a law firm in Upper New York state near her family who she's missed more than she thought she ever would.

She's having to take a cab home as no one had time to pick her up from the airport, a thing she finds appalling. When she gets home to find only one person there, her step brother, Pitt Cameron, she's really appalled that not even her mother cares enough to be there for her arrival.

Pitt is beyond handsome in the most dangerous ways possible. His charisma has melted many a girls' hearts, but he's not one to be tamed and he'll let any woman know that from the get go. Every woman that is with the exception of Shelly.

She's only three years younger than him, but it's quite taboo to hook up with one's stepbrother so she held him off even though she had to fight herself to do it. Pitt is a master of seduction. Holding him back since she was a mere fifteen-years-old has her a little too good at keeping men from her private pleasure zone.

Shelly, though twenty-two-years old, still has her virginity intact and when her eyes land on Pitt and his evil smile makes her heart skip in her chest, she knows she's held out for him. Just like he told her to before she left for England four years ago. Temptation has been flowing through her since she found out he had moved back home to save money to buy his own house.

But what he tells her when she asks about her mother and his father leaves her shocked and letting Pitt anywhere near her is not a thing she can think about. Sex is a thing she's finding disgusting and can rip a family apart.

But will Pitt be able to leave her alone after he's waited so long to make her his, and not just for her first time either?
