**Trivia-on-Book: The Bone Clocks by David Mitchell**

David Mitchell is a writer who can take a fairly simple story – following a woman’s life – and turn it on its head. ”The Bone Clocks”, on its face, is a story of a woman as she goes through various phases of her life. And yet, there is so much more to it. Her life and the battle that happens around her, is what David Mitchell is really writing about. What we have here is a story of good versus evil and how one woman’s actions can send ripples through time, all the way down to her ancestors.?
