### Editorial Review

This is the first in its class of multidisciplinary books for medical device innovators, reaching across several disciplines to capture what innovators need

-Michael Gertner, MD, Co-Director, Surgical Innovation Program at Stanford University, and noted physician-entrepreneur

The Keiretsu Forum is America's largest angel investment group. We see hundreds of presentations for innovative start up companies. This is a resource that will help medical device innovators develop better products, and more focused companies, more quickly

-Randy Williams, Founder The Keiretsu Forum

Finally, a real manual that for the first time supports efficient medical device development

-Peter H. Muller, President, Interform Product Development From the Publisher
