Jane Slayre By Charlotte Bronte, Sherri Browning Erwin

" READER, I BURIED HIM . "

A timeless tale of love, devotion . . . and the undead.

Jane Slayre, our plucky demon-slaying heroine, a courageous orphan who spurns the detestable vampyre kin who raised her, sets out on the advice of her ghostly uncle to hone her skills as the fearless slayer she's meant to be. When she takes a job as a governess at a country estate, she falls head-over-heels for her new master, Mr. Rochester, only to discover he's hiding a violent werewolf in the attic--in the form of his first wife. Can a menagerie of bloodthirsty, flesh-eating, savage creatures-of-the-night keep a swashbuckling nineteenth-century lady from the gentleman she intends to marry? Vampyres, zombies, and werewolves transform Charlotte Brontë's unforgettable masterpiece into an eerie paranormal adventure that will delight and terrify.

Editorial Review

From Publishers Weekly

Another entry in the growing genre of horror mashups (ranging from *Pride and Prejudice and Zombies* to *Queen Victoria: Demon Hunter*), this volume takes Brontë's classic and turns the Reed family into vampires, Jane Eyre's classmates at Lowood into zombies, and Bertha Rochester into something far more dangerous than a madwoman. While Jane herself remains much the same, the supernatural additions prove highly amusing, turning the gothic elements of the original up to eleven while preserving the story's post-Victorian coming-of-age conventions. Despite her whimsical and irreverent modifications, Erwin displays great affection for Brontë and her characters; the undeniable spark between Erwin's Jane and Rochester is made all the more delightful by Jane's plucky fearlessness in the face of evil. With the possible exception of purists, fans of *Jane Eyre* will find much to love, with moments of laugh-out-loud hilarity; horror fans unfamiliar with the original will also be pleased, though they'll miss out on some of the comic nuance.

--Publisher's Weekly

Erwin raises the bar for the next generation of "monster classics." Unique and gripping revision of a well-loved classic. Enthusiastically recommended for all. --Library Journal (starred review)

Users Review

From reader reviews:

Brian Nelson:

What do you think about book? It is just for students since they are still students or that for all people in the world, exactly what the best subject for that? Simply you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't want do that. You must know how great in addition to important the book *Jane Slayre*. All type of book can you see on many methods. You can look for the internet options or other social media.

Evelyn Broderick:

The particular book *Jane Slayre* has a lot of information on it. So when you make sure to read this book you can get a lot of help. The book was published by the very famous author. The author makes some research just before write this book. That book very easy to read you may get the point easily after scanning this book.

Gabriel Badger:

Many people spending their time period by playing outside having friends, fun activity along with family or just watching TV all day long. You can have new activity to spend your whole day by reading a book. Ugh, think reading a book can definitely hard because you have to take the book everywhere? It all right you can have the e-book, having everywhere you want in your Mobile phone. Like Jane Slayre which is keeping the e-book version. So , why not try out this book? Let's notice.

Douglas Brownlee:

What is your hobby? Have you heard which question when you got learners? We believe that that concern was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. So you know that little person like reading or as looking at become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You get good news or update about something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is this Jane Slayre.
