Editorial Review

About the Author

20 Years of trail-tough maps that guide you to, and through, your favorite destinations

With over 165 titles available for America's favorite outdoor destinations, Trails Illustrated maps are the most trusted and popular recreation maps available. Continually setting the standard for accuracy, each map is crafted in conjunction with local land managers, and undergoes rigorous review and enhancement before being printed on waterproof, tear-resistant material.

Each Trails Illustrated map contains detailed topographic information, clearly marked and named trails, recreational points of interest, and navigational aids. National Park series maps contain useful details for planning your visit. State series titles cover popular recreation areas, ideal for done-in-a-day activities.

Users Review

From reader reviews:

Gary Lewis:
