Mechanic By Alexa Riley

Everything was fine until that innocent little rich girl walked into my garage. Since the second I laid my eyes on her, all I've wanted to do is get my dirty hands on her pure body. There's one minor obstacle standing in my way, but I've got a plan. All I've got to do is claim her, and she'll be mine forever. Warning: This book is over-the-top, insta-love. There's nothing but steamy scenes, babies trying to be made, and an obsessed bearded alpha hero claiming a virgin who will be his forever. If you want it hot and dirty, this is it! *whispers* There's a sweet smutty surprise at the end!
