Editorial Review

Amazon.com Review

Miss Manners' down-to-earth collection of wisdom and pithy wit is a joy to read. Under the chapter on Table Manners, she notes "the inevitable slippage of spaghetti from the fork back onto the plate is Nature's way of controlling human piggishness" and suggests "a quick motion of the wrist, such as one uses to shake down a thermometer, will remove excess ketchup" from French fries. From common courtesy and proper attire to the etiquette of weddings, Martin knows right from wrong and sensible from rude. But this is no prissy, preachy tome. Miss Manners is very funny and has impressive insight into life.

Users Review

From reader reviews:

Jonathan Woods:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite book and reading a guide. anytime. In a situation you wish to purchase the e-book, you can available their official web-site as well as order it. Have a nice read.

Gail Cote:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Miss Manners' Guide to Excruciatingly Correct Behavior: The Ultimate Handbook on Modern Etiquette can make you sense more interested to read.
