**Roman Crazy** By Alice Clayton, Nina Bocci

A delicious, sexy, laugh-out-loud modern romance about a newly single woman and her journey to find love again, from *New York Times* bestselling author Alice Clayton and *USA Today* Bestselling author Nina Bocci.

Avery Bardot steps off the plane in Rome, looking for a fresh start. She's left behind a soon-to-be ex-husband in Boston and plans to spend the summer with her best friend Daisy, licking her wounds--and perhaps a gelato or two. But when her American-expat friend throws her a welcome party on her first night, Avery's thrown for a loop when she sees a man she never thought she'd see again: Italian architect Marcello Bianchi.

Marcello was *the* man--the one who got away. And now her past is colliding with her present, a present where she should be mourning the loss of her marriage and--hey, that fettuccine is delicious! And so is Marcello...

Slipping easily into the good life of summertime in Rome, Avery spends her days exploring a city that makes art historians swoon, and her nights swooning over her unexpected *what was old is new again* romance. It's heady, it's fevered, it's wanton, and it's crazy. But could this really be her new life? Or is it just a temporary reprieve before returning to the land of twin-set cardigans and crustless sandwiches?

A celebration of great friendship, passionate romance, and wonderful food, *Roman Crazy* is a lighthearted story of second chances and living life to the fullest.
