**Star of Light** By Patricia M. St. John

**Hamid rubbed the light from his eyes and looked again. He was not dreaming; it was his stepfather!**

The man watched Kinza as a snake might watch a baby rabbit at play, waiting for the moment to strike. And for one breathless moment Hamid was sure that he would reach out and snatch her away. Hamid does not want his little blind sister, Kinza, to be sold to a beggar by their stepfather, so he decides to rescue her. Together they escape from their mountain village to a town where there may be a new home for Kinza. But this is only the start of their adventures.

Will Kinza be safe? What will happen to Hamid, who dares not go back home? Set in North Africa, readers will be delighted by yet another of Patricia St. John's exciting, freshly edited novels.

### Editorial Review

#### About the Author

**PATRICIA ST. JOHN** (1919-1993) was a nurse, missionary and author. She earned a nursing degree at St. Thomas' Hospital in London in 1946. In the early 1950s she moved to Tangier, Morocco where she served as a missionary nurse for 27 years. Throughout her life, she travelled extensively in Europe, North Africa, and the Middle East, as the settings of her novels reflect. In 1977, she returned to England, where she cared for elderly relatives and ministered from her home to youths, single parents, and the elderly. Patricia authored numerous books, including *Treasures of the Snow*, *The Tanglewoods; Secret*, *The Secret at Pheasant Cottage*, and *Star of Light*.

### Users Review

#### From reader reviews:

##### **Renee Oneal:**

Nowadays reading books be than want or need but also be a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want sense happy read one having theme for entertaining including comic or novel. Typically the Star of Light is kind of publication which is giving the reader unpredictable experience.

##### **Kathryn Granger:**

People live in this new moment of lifestyle always aim to and must have the free time or they will get lot of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely yes. People is human not a robot. Then we question again, what kind of activity do you have when the spare time coming to anyone of course your answer will certainly unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, often the book you have read is actually Star of Light.

##### **Michael Short:**

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Star of Light, you can enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.

**Laura Bradberry:**

This Star of Light is brand-new way for you who has curiosity to look for some information given it relief your hunger associated with. Getting deeper you in it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Star of Light can be the light food to suit your needs because the information inside this particular book is easy to get by anyone. These books acquire itself in the form and that is reachable by anyone, that's why I mean in the e-book form. People who think that in reserve form make them feel tired even dizzy this reserve is the answer. So there is absolutely no in reading a publication especially this one. You can find what you are looking for. It should be here for you. So , don't miss it! Just read this e-book sort for your better life as well as knowledge.
