## Sutphin Boulevard (Five Boroughs Book 1) By Santino Hassell

### A Five Boroughs Story

Michael Rodriguez and Nunzio Medici have been friends for two decades. From escaping their dysfunctional families in the working-class neighborhood of South Jamaica, Queens, to teaching in one of the city's most queer-friendly schools in Brooklyn, the two men have shared everything. Or so they thought until a sweltering night of dancing leads to an unexpected encounter that forever changes their friendship.

Now, casual touches and lingering looks are packed with sexual tension, and Michael can't forget the feel of his best friend's hands on him. Once problems rear up at work and home, Michael finds himself seeking constant escape in the effortless intimacy and mind-blowing sex he has with Nunzio. But things don't stay easy for long.

When Michael's world begins to crumble in a sea of tragedy and complications, he knows he has to make a choice: find solace in a path of self-destruction or accept the love of the man who has been by his side for twenty years.?

## **Editorial Review**

### **Review**

"Having two sexy, dirty-talking alphas wrestle their strong feelings for each other is mouthwatering." -- **RT Book Reviews**

"Hassell doesn't sugarcoat his vibrant characters, making them as gritty as the Queens neighborhood in which they grew up... There are plenty of steamy sex scenes; overall, a welcome addition to romance collections in urban libraries." -- **Library Journal**

"Santino's voice stands out in a talented genre. SUTPHIN BOULEVARD is full of grit, incredibly sexy, and will leave readers smiling as Michael finds his way to love and health." -- **Megan Erickson, author of TRUST THE FOCUS**

"The chemistry between these two fairly sizzles the pages. This book is sexy. The love scenes are dirty in all the best ways." -- **Fiction Vixen**

"It's a book that makes you want to read it over and over again, and I've read its final pivotal and epiphanous scene so many times I almost know it word for word now." -- **The Novel Approach Reviews**

"The men are so comfortable with each other that physical intimacy becomes effortless and there is no one that knows you like a childhood friend. The men are dirty, filthy, and perfect together." -- **Joyfully Jay Reviews**

"I love Santino's style of writing, which is definitely not slushy, or overtly romantic, he expresses emotion in a very visceral way, which stays with you along time." -- **Prism Book Alliance**
