[(The End of the Modern World)] [Author: Romano Guardini] published on (April, 2001) By Romano Guardini

This expanded edition of Guardini's classic work includes the original text of The End of the Modern World, as well as the entirety of its explicit sequel, Power and Responsibility, in which Guardini analyzes modern man's conception of himself in the world and examines nature and use of power. The principle of individual responsibility weaves both works into a seamless, comprehensive, and compelling moral statement.
