**The Secret Life of God: Discovering the Divine within You** By David Aaron

How

much does our perception of God really matter? Many of us aren't conscious of our image of a "higher power." For some of us, that unspoken image is a Judgmental Parent or an exacting Old Man in the Sky. For others, God is an Imaginary Friend who is there to fix problems after we create them.

David

Aaron can help you discover a mature, new understanding of God and lead you to

discover the wellspring of Divinity within you. By drawing on teachings of Kabbalah that were secret for millennia, he helps you to reclaim the power you've given away to negative images of God or passive images of yourself. These mystical secrets of Judaism can offer reassuring guidance, meaning, and purpose to the lives of people of all faiths.

In

the journey to discovering God's secret life you will:

- Awaken  
to your life's deepest purpose
- Delight  
in a deeper connection to your true inner self, God, and others
- Learn  
to experience God's infinite love for you
- Rise  
to new heights, cope with challenges, and make courageous choices
- Achieve  
true peace of mind and freedom from anxiety

Aaron

shares these profound ancient teachings in simple, everyday language with a

touch of wit and humor. Rich in personal stories and anecdotes, his examples from daily life help us tap the transformational power hidden within and illuminate the surprising paradoxes of spiritual growth. Awakened to finally experience a personal connection to God, we are at last able to receive God's love unconditionally and discover our ultimate identity, divine purpose, and true happiness.

## **Editorial Review**

From Publishers Weekly

According to one ancient sage, "Kabbalah is not the path to paradise but the path to paradox." Yet Rabbi Aaron untangles enough of that paradox to leave us with a much clearer picture of paradise. He takes the existential and makes it tangible; his answers of "yes" to either/or questions somehow make sense, and at the end of the day, his love for and delight in the study of kabbalah is contagious. With a tone that is soft but firm, Aaron offers a particularly embracing sort of guidance. His approach, open and honest with a nice dose of humor, makes the mysteries of God less frightening. Contemporary analogies share time with family anecdotes and Talmudic lessons. He gently pushes the boundaries of what we think we know to be true and encourages us to broaden our perspective. Most striking is his ability to logically explain a theological abstraction. For example, "when the Kabbalah talks about why God created the world, it is not asking 'For what reason?' but rather, 'For what purpose?' " He illustrates his point by asking why Henry Ford invented the car—for what *reason*? To please his mother? Impress a girlfriend? No one knows. Ask for what *purpose* and the answer is simple: transportation. Aaron notes that "When we talk about God, we are not simply saying we don't know the reason why God created the world, but rather that there really is no reason. There's a purpose for which God created the world, but not a reason. Although the world is purposeful, it's still unreasonable." Though at times a bit repetitive in a sermonic kind of way, anyone seeking answers about the nature of God—those familiar with Aaron's writings and teachings and those new to the study of kabbalah and even Judaism—will feel equally comfortable within these pages.

### **About the Author**

Rabbi David Aaron is a spiritual teacher who has invested over 3 decades delving into life's BIGGEST

question marks and sharing his life-changing wisdom and insights to adults and young adults. He has emerged as the 'God expert' simply because he has dared to ask and answer the most difficult questions that he/ALL people have and/or struggle with about God's existence and their own. And while the name 'God' appears on the cover of almost all his books, he doesn't believe in 'God' - not in the popular sense of that word, which leaves the Divine entirely misunderstood.

Rabbi Aaron delivers The WHY. The big AHA. The '3rd Step' (out of 12).

He draws everything from Torah. His teachings are SIMPLE to understand and deliver unprecedented CLARITY to people of all backgrounds and faiths.

His 5 'masteries':

- 1) Decoding Life's Biggest Mysteries
- 2) Inspiring God Consciousness
- 3) Soul-Powered Living
- 4) Living on Purpose
- 5) Transformational Torah Wisdom

What's UNIQUE about what Rabbi Aaron does

In today's glutted market of new age spirituality/self-help/self-fulfillment and spiritual leaders/gurus, there's a myriad of religions, sects and pathways on the shelf. BUT, the majority of the world has absolutely no idea what Torah IS, even though it possesses the most universally-embraceable spiritual content on the planet. NO ONE is disseminating Torah's universal message. And NO ONE is communicating it in a way that can connect to the spirituality-seeking 21st century.

Rabbi Aaron's vision is to create a new worldwide spiritual awareness based on Torah secrets. The 'north star' is 'world transformation thru global God consciousness.'

Why...

Getting simple and clear answers to life's most essential questions is transformational, life altering & empowering. Sharing this clarity will improve and make a better, loving world for everyone.
