Editorial Review

About the Author

There have been many imitators, but only Jackie Collins can tell you what really goes on in the fastest lane of all. From Beverly Hills bedrooms to a raunchy prowl along the streets of Hollywood; from glittering rock parties and concerts to stretch limos and the mansions of the power brokers — Jackie Collins chronicles the real truth from the inside looking out. Jackie Collins has been called a “raunchy moralist” by the late director Louis Malle and “Hollywood’s own Marcel Proust” by Vanity Fair magazine. With over 500 million copies of her books sold in more than 40 countries, and with some twenty-nine New York Times bestsellers to her credit, Jackie Collins is one of the world’s top-selling novelists. She is known for giving her readers an unrivaled insiders knowledge of Hollywood and the glamorous lives and loves of the rich, famous, and infamous! “I write about real people in disguise,” she says. “If anything, my characters are toned down — the truth is much more bizarre.”
