From the Author

This book is the second set of three in a larger series, The McDaniels Brothers. The first book "Fix You: Bash and Olivia" can be found here: [amazon.com/dp/B00KJW9H1C](https://www.amazon.com/dp/B00KJW9H1C)

About the Author

Christine Bell is a USA Today bestselling author of contemporary romance novels as well as the alter-ego of New York Times bestselling paranormal romance author, Chloe Cole. She's happily married with four kids. If she gets time off from her duties as maid, chef, chauffeur, or therapist, she can be found reading just about anything she can get her hands on, from Young Adult novels to books on poker theory.

She doesn't like root beer, clowns or bugs (except ladybugs, on account of their cute outfits), but lurrves chocolate, going to the movies, the New York Giants and playing Texas Hold 'Em. Writing is her passion, but if she had to pick another occupation, she would be a pirate...or, like, a ninja maybe. She loves writing fun, sexy romances, but also hopes to one day publish something her dad can read without wanting to dig his eyes out with rusty spoons.

Christine loves to hear from readers, so please feel free to get in touch with her via the Contact Page, or find her on Twitter @\_ChristineBell.
