Inception (The Marked) (Volume 1) By Bianca Scardoni

Be careful who you trust, for even the Devil was once an Angel.

My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen--that I'd lost touch with reality due to the trauma, I know what I saw was real.

HollowHills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upsidedown.

I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human.

I'm the devil they fear and the angel they crave.
Only problem is, I don't know it yet...

INCEPTION is the enthralling first installment in The Marked series. A YA paranormal romance full of atmosphere, supernatural adventure, and jaw-dropping twists that will keep you guessing until the very last page. INVIDIOUS (book 2) is now available!
