### Editorial Review

#### About the Author

Steven Foote is a web developer at LinkedIn. A self-taught programmer who loves technology, especially the Web, he has a Bachelor's degree and Master's degree in Accountancy from Brigham Young University. While working on his Master's degree, he built all aspects of two AJAX-y web applications, from visual design to server and database maintenance, and everything in between.

### Users Review

#### From reader reviews:

##### Jennifer Wadsworth:

Do you one of people who can't read gratifying if the sentence chained within the straightway, hold on guys this specific aren't like that. This Learning to Program book is readable through you who hate the perfect word style.
