Morals And Dogma (Illustrated) By Albert Pike

Fully illustrated. This is Albert Pikes' volume of 'lectures' on the esoteric roots of Freemasonry, specifically the 32-degree Scottish Rite. Until 1964, this book was given to every Mason completing the 14th degree in the Southern jurisdiction of the US Scottish Rite Freemasons. Morals and Dogma is a huge, rambling treasure-house of esoteric data, particularly on the Kabalah and ancient Mystery religions. Whether you just browse these pages or study it from one end to the other, this is a must-read book for anyone looking for long-lost knowledge.

Editorial Review

About the Author

About the Author:

"Albert Pike (December 29, 1809-April 2, 1891) was an attorney, soldier, writer, and Freemason. Pike is the only Confederate military officer or figure to be honored with a statue in Washington, D.C. The statue sits in Judiciary Square.

Pike was born in Boston, son of Ben and Sarah (Andrews) Pike, and spent his childhood in Byfield and Newburyport, Massachusetts. He attended school in Newburyport and Framingham until he was fifteen, at which point, having passed the Harvard entrance exam but unable to afford tuition, he began a program of self-education, later becoming a schoolteacher in Gloucester, Fairhaven and Newburyport.

In 1831 Pike left Massachusetts to travel west, first stopping in St. Louis and later moving on to Independence, Missouri. In Independence, he joined an expedition to Taos, New Mexico, hunting and trading. During the excursion his horse broke and ran, forcing Pike to walk the remaining 500 miles to Taos. After this he joined a trapping expedition to the Llano Estacado in New Mexico and Texas. Trapping was minimal, and after traveling about 1300 miles (650 on foot), he finally arrived at Fort Smith, Arkansas.

Settling in Arkansas in 1833, he taught school and wrote a series of articles for the Little Rock Arkansas Advocate under the pen name of "Casca." The articles were popular enough that he was asked to join the staff of the newspaper. Later, after marrying Mary Ann Hamilton, he purchased part of the newspaper with the dowry. By 1835 he was the Advocate's sole owner. Under Pike's administration the Advocate promoted the viewpoint of the Whig party in a politically volatile and divided Arkansas.

He then began to study law, and was admitted to the bar in 1837, selling the Advocate the same year. He was the first reporter for the Arkansas supreme court, and also wrote a book (published anonymously), titled *The Arkansas Form Book*, which was a guidebook for lawyers."
