### No One to Trust (Hidden Identity Book #1): A Novel By Lynette Eason

Summer Abernathy wakes up one morning to find her husband missing, three men in her home intent on finding him, and the life she's been living based on a lie. Which Kyle Abernathy did she marry? The computer programmer she met in line at the bank? Or the one who was apparently using that image as a cover story?

The search for her husband--and answers--takes Summer ever deeper into a world of organized crime where people are used one moment and discarded the next. And with her deepest relationship of trust already shattered, Summer doesn't know who to believe.

Always thrilling, Lynette Eason outdoes herself in this taut, breakneck story of lies, loyalties, and love that will have readers up all night to discover the truth hidden in the shadows.

### Editorial Review

#### From [Booklist](#)

\*Starred Review\* Kyle Abernathy comes to work unexpectedly, only to see his partner in their office with the body of a man he has just killed. Because the risk of revealing his discovery is too great, Kyle is forced to bide his time and live with the fact that Sam is a murderer. A few months later, however, while Kyle is on a business trip, three men break into his house and threaten his wife, Summer. They want to know where Kyle is, although they refer to him as David Hackett. Suddenly, Summer has no idea who her husband is. Computer technician or criminal? Loving husband or complete stranger? In a world of lies, lies, and more lies, the truth is as elusive as a breeze. Eason is the author of the popular Deadly Reunion series (When the Smoke Clears, 2012; When a Heart Stops, 2012; When a Secret Kills, 2013), and readers who like such authors as Dee Henderson and Shirlee McCoy will also enjoy Eason's thrilling, faith-based suspense novel. - Shelley Mosley
