**Sacred Scroll of Seven Seals: The Lost Knowledge of Good and Evil** By Judah

A **National Science Foundation Award-Winning Author** bumped into The Order of Skull and Bones when analyzing America's failed pill and heroin policies. Get this: 'The Order' has been dealing dope in the same way, around the world, for ages. These policies aren't 'failing.' They are working brilliantly....The Order is knowingly dispatching Americans for money. (Even cures to opiate and other addictions are being hidden.)

Then, by cross-referencing leaked information such as rosters from Skull and Bones and Bohemian Grove, 'The Order's' veils of deceit fell to the ground, revealing the most vile bloodline of men who have ever strayed planet earth. After quite a bit more digging, he discovered a rare 200 year old book which was only meant for the eyes of the heirs of the Royal Family. The work details the genealogy of the 'Russell' family and exposes the hoax most refer to as the 'shadow government.' In the 'little book,' Poet, Jeremiah Holmes Wiffen also sent us some coded warnings from the past (and even identified the Holy Grail). Wiffen was no conspiracy theorist. His carefully researched and cited book was chartered by John 6th Duke of Bedford to celebrate their Royal 'Order,' or, their 'race.' ('Duke' is the highest title in the Royal Bloodline outside the monarch)

The Order of Skull and Bones appears to be a screening mechanism with which to separate the super-elite from us common 'Vandals,' at Yale; these men go on to manipulate every lever of power in the world. Every president is related to their 'Order.' The bone collectors who darken the halls of 'The Tomb' are responsible for a LOT more than just dope-dealing, hand grips, acting out macabre plays in halloween getups, grave-robbery and public masturbation. (Don't forget, the likes of George Bush, John Kerry, Taft, Rockefeller, and multiple Kelloggs and Forbes - among countless others - were all from this wicked club).

**This book will answer a lot of questions which 'The Order' doesn't want you to know. Among them:**

- How the Civil War really began

- How The Order killed a hundred-million people in a great genocide in India before THEY formed America
- Who was really responsible for slavery (you will be SHOCKED!)
- How the American Flag was really designed (hint: it wasn't 'Betsy Ross')
- How Hitler really came to power and the Americans who funded him
- It will solve the mysteries of the Great Pyramids
- Tell you the esoteric secrets of archaeology
- Exactly why those civilizations rose and fell
- Where we are in that cycle of desolation and MUCH, MUCH MORE!

The 'Little Book' connected these men to the Vikings, the Knights Templar, William the Conqueror, the Tudors, the Clintons, the Roman Catholic Papacy, and it even connects the vile clan to the Tribe of Dan in The Bible (the tribe which The Bible indicates will produce the Antichrist). Now, you may NOT believe in The Bible but these men DO and that is all that matters. This should scare you. Because they worship the dark one therein, and still practice necromancy among many more-deplorable rituals - including ritual child sacrifice ('in effigy,' supposedly).

If you smell something rotten after having witnessed this election, this book may be for you...If you have ALWAYS known that the history which we have been taught just doesn't seem to add up, this book may also be for you. But I should warn you, once the scroll is unfurled, it can never be unread. The Order seems to be using the Book of Revelation (outlining the apocalypse) as a script. I will prove to you that even 9/11 is predicted uncannily in Revelation! (Don't let the references to the Bible scare you off. It's only being mentioned for its romantic and historical value to The Order.) Prepare to read the esoteric epic of 'The Pirate Who Took Over The World,' for which '*The Da Vinci Code*' and '*Chariots of the Gods*' were created in order to prevent.... '***Sacred Scroll of Seven Seals.***'

### Editorial Review

From the Author

*Sacred Scroll of Seven Seals* was a personal journey of research on which I recently embarked. It seemed as if there were at least a major eye-opening discovery around every corner. During the first few weeks of research I kept few notes. But when I discovered the identity of the Holy Grail, I began documenting my findings diligently. I am so thankful I did now. But, then I still didn't know exactly where the story was leading.

I researched, read, *and wrote*, for 10 to 19 hours a day, like a slave. I didn't even know if my savings would outlast my curiosity--and they *DIDN'T*. Many of my family members didn't think I would ever snap out of the madness, as if there were simply no ending to the rabbit hole in which I was submerged....But what they (and even I) didn't realize then, was, there was a definite end point to the story. When I had hit that point I was just *done*. And, in a funny turn of events, *they* were the ones in the 'rabbit hole' and *I* was tasting my first glorious breaths of fresh air (truth). In the end I had an amazing manuscript on my hands.

When I began to write the SSOSS I had been clean from legal prescription painkillers for approximately two years. And as mentioned, I got 'clean' using an African root bark which is highly illegal in the US. There is no sense of betrayal by your own country like waking up in a Tijuana basement - completely clean from the most vicious prescription opiate addiction many could ever imagine - after only *A FEW DAYS!*

One of the side effects of the crazy-root-bark medicine is a hallucinogenic experience which lasts up to 48 hours! This also made for a pretty good book. Believe it or not, many of the visions I had while receiving the 'treatment' match up with the stories in the SSOSS uncannily.

As you read the SSOSS, you will see that I cross-referenced history with The Bible, which I wasn't quite sure *I* even believed-in at the beginning of this work (*especially not word for word, anyway*). As a result of The Order's propaganda wielding machine, the presence of references to The Bible in the SSOSS will scare many. But never fear, I only used it to decipher *The Order's rituals, nicknames, beliefs, and dark superstitions (there will be no preaching or 'Bible Thumping' between the covers of the SSOSS)*. But as you too will see, the Bible is either *true* or else The Order is using it as a script - *letter-for-letter* - over thousands of years of human history. As promised, I will now prove to you that 9/11 was predicted, action for action, in the Book of Revelation....And the next 'act' in The Order's script (what's to come) *will blow your mind....*

About the Author

Judah - *a pen name taken for the Author's protection* - is a confirmed **Amazon #1 Bestselling Author**.

### Users Review

From reader reviews:

Ida Shrout:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that may give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their own reader

with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some research before they write for their book. One of them is this Sacred Scroll of Seven Seals: The Lost Knowledge of Good and Evil.

#### **Mark Shanks:**

A lot of people always spent their particular free time to vacation or even go to the outside with them family members or their friend. Do you realize? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you read you can spent the entire day to reading a reserve. The book Sacred Scroll of Seven Seals: The Lost Knowledge of Good and Evil it is rather good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. Should you did not have enough space to create this book you can buy the actual e-book. You can m00re quickly to read this book out of your smart phone. The price is not too expensive but this book has high quality.

#### **Pearl Moore:**

Reading a book for being new life style in this yr; every people loves to study a book. When you read a book you can get a lot of benefit. When you read publications, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you want to get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, and soon. The Sacred Scroll of Seven Seals: The Lost Knowledge of Good and Evil provide you with new experience in studying a book.

#### **Gordon Lipsky:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Sacred Scroll of Seven Seals: The Lost Knowledge of Good and Evil can make you truly feel more interested to read.
