## The Portable February By David Berman

Running the gamut in topic and style from faux-political to faux-*New Yorker*, David Berman's lo-fi cartoons incorporate strains of high and low comedy, wistful Americana, contemporary art, dream visions, and a visual analog to the semipenetrable personal allusions found in his music and poetry. His drawings invite the same deeper thought as his writings, making use of wordplay, cultural references, and offbeat observations. The sparse illustrations are complemented by poignant one-liners, and reveal moments of lightness within the author's dark humor, providing a wry, erudite commentary on American culture.

## Editorial Review

### Review

*“February’s genius lies in how its rudimentary squiggles manage to haunt again and again, each time in a slightly new way.” —Magnet Magazine*

*“Berman’s is a funny, smart, on-again, off-again poetry of great promise.” —New York Times Book Review, on Actual Air*

*“Full of casually sharp observations about the most mundane subjects. Air is funny, weird, and profound, whether it’s tackling the nature of hallways or the architecture of back pain.” —Entertainment Weekly, on Actual Air*

*“David Berman is a young Virginian poet with a sly, intense regard for the past. He comes on like a prankster, restocking the imperial orations of Wallace Stevens and the byzantine monologues of John Ashbery with the pop-cultural bric-a-brac of a new generation . . . But his words have an easy, eloquent gait.” —New Yorker, on Actual Air*

*“In The Portable February sometimes an entire microscopic cultural-historical moment, if not a whole life, seems encapsulated in one panel, a handful of sentences.” —Ed Park, The Poetry Foundation*

### About the Author

#### David Berman

is a singer-songwriter and former frontman for the band Silver Jews. He is the author of the poetry collection *Actual Air* and his cartoons have appeared in periodicals such as the *Baffler*, the *Believer*, the *Minus Times*, and *Moonlit*. He lives in Nashville, Tennessee.

## Users Review

### From reader reviews:

#### David Butler:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider when those information which is inside the former life are difficult to be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take The Portable February as your daily resource information.

**Mark Carter:**

Reading a book to become new life style in this yr; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read.
