## Why Quantum Physicists Play "Grow a Greater You": Learn How to Live the Most Truly Fulfilling Life Humanly Possible By Greg Kuhn

Would you enjoy a life where suffering truly becomes optional? And one where pain morphs into one of your greatest allies? Would you like to know exactly why the statement “You’ll see it when you believe it” is absolutely true and learn how to completely manifest your most pleasing life possible by living according to its accurate description of how our universe works? Are you, like so many of us, finally ready to release yourself from the shackles of old, outdated paradigms created from an incomplete understanding of how our material reality is created? And, instead, start creating a life much more aligned with your greatest desires? It is now possible, thanks to quantum physics, to jettison our ineffective, outdated reasons for doing things the way we do them. These old paradigms, not much different from the ones used by our Neanderthal ancestors, have kept most of us from realizing our greatest desires. The truth is that you were born, not only to desire, but also fully able to grow into any desire you have. You are not here to play small, you are not unimportant, and you did not come here to suffer. In Why Quantum Physicists Play “Grow a Greater You”, you will learn the most important and enriching game a human being can play. “Grow a Greater You” is so significant it virtually assures you the best life humanly possible. In fact, “Grow a Greater You” is actually a textbook for the game you came here to play. With it you will finally unleash and unlock your inherent potential to be massively influential over all your life experiences, aligning them with your grandest desires.

### **Editorial Review**

#### **About the Author**

Author Greg Kuhn is a professional educator and a futurist, specializing in framing new paradigms for 21st Century living. Many call Greg the “Law of Attraction Science Guy” because he teaches people exactly how to manifest the “big stuff”. Prior to the release of his Why Quantum Physicists series, Greg wrote with his father, Dr. Clifford Kuhn, M.D., about health, wellness, success, and productivity. In Why Quantum Physicists Play “Grow a Greater You”, Greg reveals his comprehensive blueprint for engaging everything we now know about how our universe actually works and how a human can live her best life possible. Always entertaining, Greg unveils simple explanations and easy-to-use-instructions which you’ll not only master quickly, but have fun using. Greg is also the author of five highly acclaimed, best-selling books in his Why Quantum Physicists series. All of his books are available on Amazon.
