Corazón de Cristal (Selección RNR) (Spanish Edition) By María C. García

Después de su último desengaño amoroso y un pasado complicado, Natalia toma la firme decisión de renegar de los hombres... hasta que Iván se cruza en su vida. Él aparece como huracán y arrolla todo a su paso, provocando en ella unos sentimientos que, por primera vez desde hace mucho tiempo, no puede ignorar. Ante la imposibilidad de alejarse de él, decide comenzar una relación a su lado marcada por el amor y el deseo que ambos parecen sentir. Sin embargo, su camino juntos no será tan fácil como parece. Pronto ella se dará cuenta de que él oculta algo... ¿Será ese secreto algo tan terrible que pueda incluso separarles? ¿Puede el amor ser peligroso para alguien que tiene el corazón tan frágil como el cristal?
