Drama By Raina Telgemeier

From Raina Telgemeier, the #1 *New York Times* bestselling, multiple Eisner Award-winning author of *Smile* and *Sisters*!

Callie loves theater. And while she would totally try out for her middle school's production of *Moon over Mississippi*, she can't really sing. Instead she's the set designer for the drama department's stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about carpentry, ticket sales are down, and the crew members are having trouble working together? Not to mention the onstage AND offstage drama that occurs once the actors are chosen. And when two cute brothers enter the picture, things get even crazier!

Editorial Review

From [Booklist](#)

Starred Review Callie loves the theater, even if she can't sing well enough to perform in her beloved musicals. But when drama and romance—both onstage and off—cause problems, Callie finds that set design may be the easiest part of putting on a play. Telgemeier is prodigiously talented at telling cheerful stories with realistic portrayals of middle-school characters. Callie is likable, hardworking, and enthusiastic, but she is as confused about relationships and love as any young teen, and she flits from crush to crush in a believable fashion. Nonactors will love having a spotlight shine on the backstage action, but even those who shun the stage will identify with this roller-coaster ride through young teen emotions. In addressing issues such as homosexuality, *Drama* is more teen oriented than Telgemeier's elementary-school-friendly *Smile* (2010). Her deceptively simple art may seem cartoonish, but it is grounded in a firm sense of style and washed in warm colors to give the story an open, welcoming feel. In this realistic and sympathetic story, feelings and thoughts leap off the page, revealing Telgemeier's keen eye for young teen life. Grades 6-9. -- Snow Wildsmith
