**Exotic Animal Care and Management** By Vicki Judah, Kathy Nuttall

Focusing exclusively on the care of exotic species as pets, EXOTIC ANIMAL CARE AND MANAGEMENT, 2ND EDITION delves into the unique behaviors, diet, housing considerations, handling and restraint methods, medical concerns and clinical procedures related to the proper management of these animals. Reader-friendly and concise, each chapter covers a specific exotic animal commonly found in veterinary practice, including small mammals, birds, reptiles, amphibians, intervtebrates, alpacas and llamas, miniature pigs and backyard chickens. Also included is an overview of specific concerns and zoonotic diseases associated with exotic animals so that veterinary technicians are fully prepared to contribute to their care and treatment.

### **Editorial Review**

#### **About the Author**

Vicki Judah is a retired Certified Veterinary Technician with more than thirty years of experience in animal care, and a special interest in exotic animal medicine and captive care. The former program director of Companion Animal Science at Utah's Jordan Applied Technology Center, Ms. Judah developed courses in Animal Care and Science, Veterinary Assisting and Technology, Equine Science, Agricultural/Livestock Care and Management, and Aquatics. Now retired, Ms. Judah pursues educational, animal rescue, and writing projects in the United States and Mexico.

Kathy Nuttall was most recently the developer and instructor of the Veterinary Assistant/Veterinary Technician Program at the Jordan Applied Technology Center in Utah, and is a Certified Veterinary Technologist. Currently, she is starting a new business educating veterinary professionals, Mountain Edge Veterinary Technology. She belongs to the Colorado Association of Certified Veterinary Technicians, the National Association of Career and Technical Educators, the Utah Association of Career and Technical Educators, the National Educators Association, the Utah Educators Association, and the North American Veterinary Technicians Association. She has received many awards, including Teacher of the Year, CTE Teacher of the Year, and Outstanding HOSA Advisor. Ms. Nuttall completed the state curriculum for Veterinary Assisting in the state of Utah, and obtained her Masters of Agricultural Systems and Education degree in 2013.

### **Users Review**

#### **From reader reviews:**

##### **Corey Valenzuela:**

In this 21st century, people become competitive in each and every way. By being competitive at this point, people have do something to make these people survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated this for a while is reading. Sure, by reading a reserve your ability to survive raise then having chance to stand than other is high. For yourself who want to start reading a new book, we give you this specific Exotic Animal Care and Management book as nice and daily reading reserve. Why, because this book is more than just a book.

##### **Sarita Springer:**

**Christopher Hartwick:**

That reserve can make you to feel relax. This particular book Exotic Animal Care and Management was bright colored and of course has pictures on the website. As we know that book Exotic Animal Care and Management has many kinds or variety. Start from kids until teens. For example Naruto or Private investigator Conan you can read and believe you are the character on there. So , not at all of book are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you and try to like reading that will.

**Lily Tarver:**

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Exotic Animal Care and Management can make you really feel more interested to read.
