Getting Unstuck: A Guide to Discovering Your Next Career Path By Timothy Butler

You will experience psychological impasse many times in your life. During these times, you have the sensation that you're stuck or paralyzed. You're convinced that something must change, whether in your work or personal life. Though this feeling is normal, you need to move beyond it. Failure to "get unstuck" can put your career and personal life—as well as the healthy functioning of your team or organization—at risk.

In *Getting Unstuck*, business psychologist and researcher Timothy Butler offers strategies for moving beyond a career or personal-life impasse—by recognizing the state of impasse, awakening your imagination, recognizing patterns of meaning in your life, and taking action for change.

Drawing on a wealth of stories about individuals who have successfully transitioned out of impasses, *Getting Unstuck* provides a practical, authoritative road map for moving past your immediate impasse—and defining a meaningful path forward.

Editorial Review

From Publishers Weekly

Butler, a psychotherapist and director of Career Development at Harvard Business School, says it's the ruts and dead ends in life that can provide motivation for the greatest change-provided you're willing to dig deep and confront unresolved issues from the past. Though it isn't an easy process, this self-help proves uncommonly fresh and thought-provoking. Butler's approach is built around a practical six-step process that he's used with thousands of corporate executives and students, who provide anecdotes and experiences. The book is divided into three sections: in the first, readers learn how to identify a psychological impasse and open themselves to the possibilities it hides; part two focuses on unearthing passions and interests that have been forgotten or buried; and part three is about "Moving from Impasse to Action," achieving the ultimate goal of change through a heightened awareness of "the energies and possibilities that are emerging, regardless of their threat to habit, comfort and stereotyped expectations." In the end, the real challenge may be in winnowing a single path from the wealth of options Butler uncovers.

Review

...what Butler offers are really some very practical approaches to breaking the career impasse. --Washington Post, April 1, 2007

Getting Unstuck draw[s] you through the currents and undercurrents of impasse, offering hope, inspiration and a few memorable tools as a bonus. --Globe & Mail, July 13, 2007

...a culture that values relentless work and connectivity squeezes out the time we need for soul-searching... -The Boston Globe, September 23, 2007

From the Back Cover

We all experience *psychological impasse*. This feeling of uncertainty about your next moves in life might come at predictable moments: the loss of a job, the end of a romance, the sudden yawning of an empty nest as your child heads for college, or the death of someone who has long helped you feel recognized, loved and appreciated.

Buy psychological impasse might also come at unpredictable moments: when the career of a lifetime somehow loses its juice, when you ache for intimacy but can't seem to find the right partner, when you find yourself longing to renew a sense of life's adventure.

Predictable or not, psychological impasse brings with it the sense of being stuck or paralyzed. At the office, you feel stale or unchallenged. In your personal life, you feel agitated, deflated, or downright bored. You know that something must change-and you are desperate to contribute at work, find a reinvigorated role in your family, and dive back into the current of your own life.

Though uncomfortable, impasse is necessary: it's the only place from which you can define a new vision for your professional *or* personal life. In *Getting Unstuck*, business psychologist and researcher Timothy Butler leverages more than twenty years of research to offer strategies for finding your way, again and again, from impasse to renewed meaning-at work, at home, with colleagues, and with family. In this book, you'll:

See how to make choices that transform your new vision into reality Drawing on a wealth of stories about individuals who have successfully transitioned out of impasses, *Getting Unstuck* provides a practical authoritative road map for moving past your immediate impasse-and defining a meaningful path forward.

Users Review**From reader reviews:**

Samuel Potter:In this 21st one hundred year, people become competitive in each way. By being competitive currently, people have do something to make these individuals survives, being in the middle of often the crowded place and notice by surrounding. One thing that at times many people have underestimated the item for a while is reading. Yep, by reading a publication your ability to survive increase then having chance to endure than other is high. For you personally who want to start reading the book, we give you this kind of *Getting Unstuck: A Guide to Discovering Your Next Career Path* book as nice and daily reading guide. Why, because this book is more than just a book.

John Pierre:A lot of people always spent their free time to vacation or perhaps go to the outside with them family members or their friend. Do you realize? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. In order to try to find a new activity here is look different you can read any book. It is really fun in your case. If you enjoy the book you read you can spent the whole day to reading a book. The book *Getting Unstuck: A Guide to Discovering Your Next Career Path* it is extremely good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. In the event you did not have enough space bringing this book you can buy the e-book. You can m0ore quickly to read this book from a smart phone. The price is not to fund but this book offers high quality.

Teresa Spillman:Why? Because this *Getting Unstuck: A Guide to Discovering Your Next Career Path* is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of advantages than the other book possess such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the reserve store hurriedly.

Dixie Santiago:As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this *Getting Unstuck: A Guide to Discovering Your Next Career Path* can make you sense more interested to read.
