Nine and a Half Weeks: A Memoir of a Love Affair (P.S.) By Elizabeth McNeill

The classic erotic memoir of an intense and haunting relationship that spawned the film.

This is a love story so unusual, so passionate, and so extreme in its psychology and sexuality that it takes the reader's breath away. Unlike *The Story of O*, *Nine and a Half Weeks* is not a novel or fantasy; it is a true account of an episode in the life of a real woman.

Elizabeth McNeill was an executive for a large corporation when she began an affair with a man she met casually. From the beginning, their sexual excitement escalates through domination and humiliation. As the affair progresses, woman and man play out ever more dangerous and more elaborate sado-masochistic variations. By the end, she has relinquished all control over her body and mind.

With a cool detachment that makes the experiences and sensations she describes all the more frightening in their intensity, Elizabeth McNeill beautifully unfolds her story and invites you to experience the mesmerizing, electrifying, and unforgettably private world of *Nine and a Half Weeks*.
