## **Razonamiento clínico y diagnóstico en Terapia Ocupacional (Spanish Edition)** By Miguel Ángel Talavera Valverde

Esta obra presenta una revisión teórico-práctica del razonamiento clínico y diagnóstico, alejándose del falso mecanicismo y del reduccionismo, auténticas lacras disciplinares de la terapia ocupacional. La visión convencional, que determinaba un que hacer basado en reglas preestablecidas y acotadas, se reemplaza por otra que otorga al profesional la capacidad para recuperar el asombro ante el fenómeno que acontece en la ocupación del ser humano. Este libro expone las formas, las estrategias, los niveles y los procesos, entre otros, para llevar a cabo un diagnóstico ocupacional, lo que lo convierte en una herramienta indispensable de apoyo y desarrollo de destrezas para estudiantes y profesionales de la terapia ocupacional, con el objetivo de dotar a la práctica de rigor y calidad.

*Miguel ángel Talavera Valverde* es terapeuta ocupacional del Servicio Gallego de Salud y profesor de la Universidade da Coruña.
