### **Tamed by the Knight** By Loki Renard

Nineteen-year-old Princess Madeline is not about to let anyone dictate who she can and cannot marry. She will settle for nothing less than a king, and her sister's upcoming marriage to a prince is merely tedious—much like everything that goes on at court.

Madeline is used to getting her way, so when Sir Gregory—a mere knight—finds her making mischief and spanks her long and hard for her behavior, she is angrier than she's ever been. To her absolute horror, after her encounter with Sir Gregory rumors begin to spread through the court that her virtue may have been compromised. Fearing a scandal and wanting Madeline off his hands, the king commands her to take the brave knight's hand in marriage. But knights don't inherit kingdoms, and Madeline intends to be a queen.

In an attempt to prevent the ruin of her plans, she flees the castle. Yet after Sir Gregory tracks her down and brings her home with a sore, well-spanked bottom, his firm-handed dominance proves to the feisty princess that, regardless of his station, his bearing is that of a king. She soon finds herself falling in love with her new husband, even though it means putting aside her dreams of a crown. But when an old and bitter foe attacks their homeland, both Madeline and Sir Gregory will need all their wits and all their courage to save their people.

**Publisher's Note:** *Tamed by the Knight* is an erotic romance novel that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
