The Glass Cage By Colin Wilson

"Intelligent psycho-thriller . . . the plot is ingenious, well-turned and never facile. A compulsive damp Saturday afternoon read." - Observer

"Literate and enthralling . . . Far beyond the conventional mystery." - Hollywood Reporter

"I read with something like fascination this extraordinary book about a multiple murderer who accompanies each corpse with a quotation from Blake." - Guardian

"[A] splendid story . . . a gripping thriller about lust and perversion." - Sunday Times (London)

A series of brutal and bizarre murders has London on edge. Near the dismembered corpse of each victim, the killer has scrawled cryptic quotations from the eighteenth-century mystic poet William Blake. Baffled, the police enlist the aid of Damon Reade, a brilliant but reclusive Blake scholar, who reluctantly agrees to help. Reade's combination of instinctive deduction and psychic penetration leads him to Gaylord Sundheim, who may be the murderer. But when Reade befriends Sundheim and becomes convinced he is incapable of having committed the crimes, is he right and Sundheim innocent? Or is Reade falling into a clever psychopath's deadly trap that could make him the next victim?

Colin Wilson (1931-2013) called The Glass Cage (1966) "perhaps my own favourite among my novels". Both a page-turning serial killer mystery and an exploration of Wilson's philosophical ideas, The Glass Cage was praised by critics on its original appearance and remains just as gripping and compulsively readable today. This edition, the first since 1978, includes a new introduction by Geoff Ward.

Editorial Review

Users Review

From reader reviews:

Linda Pillar:

The book The Glass Cage make one feel enjoy for your spare time. You need to use to make your capable more increase. Book can to become your best friend when you getting tension or having big problem using your subject. If you can make examining a book The Glass Cage being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like wide open and read a e-book The Glass Cage. Kinds of book are a lot of. It means that, science guide or encyclopedia or some others. So , how do you think about this reserve?

Bertha Davis:

Playing with family in a very park, coming to see the ocean world or hanging out with close friends is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Glass Cage, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its known as reading friends.

Edmund Morrisette:

The Glass Cage can be one of your beginner books that are good idea. We recommend that straight away because this book has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining however delivering the information. The article author giving his/her effort to put every word into enjoyment arrangement in writing The Glass Cage nevertheless doesn't forget the main place, giving the reader the hottest in addition to based confirm resource data that maybe you can be considered one of it. This great information can drawn you into brand-new stage of crucial imagining.

Ruth Coleman:

This The Glass Cage is great book for you because the content that is certainly full of information for you who have always deal with world and have to make decision every minute. That book reveal it information accurately using great coordinate word or we can declare no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having The Glass Cage in your hand like having the world in your arm, info in it is not ridiculous 1. We can say that no reserve that offer you world

throughout ten or fifteen moment right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt in which?
