The Structure of American Industry, Twelfth Edition By James Brock

Americans continually cross paths with major industries that comprise the U.S. economy. These industries face and raise challenging issues that in turn generate important economic questions: How are individual industries organized and structured? What share of their market do they represent? What are the major public policy issues they affect? What are the economic consequences of addressing them?

A single text examining every industry would provide a disjointed, haphazard analysis. The case-study approach taken in *The Structure of American Industry* avoids such shortcomings. The expert author of each case study fourteen in all presents a comprehensive and coherent analysis of a specific industry. The holistic, in-depth treatment sparks lively interest, does not succumb to theoretical abstractions, and offers practical answers to economic questions.

Table of Contents: 1. The Agriculture Industry (Bruce W. Marion and James M. MacDonald) 2. The Petroleum Industry (Stephen Martin) 3. The Electricity Industry (Alan R. Schriber and James W. Brock) 4. The Cigarette Industry (George A. Hay) 5. The Beer Industry (Kenneth G. Elzinga) 6. The Automobile Industry (James W. Brock) 7. The Music Recording Industry (Peter J. Alexander) 8. The Telecommunications Industry (James McConnaughey) 9. The Airline Industry (William G. Shepherd and James W. Brock) 10. The Banking Industry (Steven J. Pilloff) 11. The Health Care Industry (John Goddeeris) 12. The Public Accounting Industry (Philip G. Cottell, Jr.) 13. The College Sports Industry (John L. Fizel and Randall W. Bennett) 14. Public Policy in a Free Enterprise Economy (James W. Brock)

Title of related interest also from Waveland Press: Shepherd-Shepherd, *The Economics of Industrial Organization*, Fifth Edition (ISBN 9781577662785).

Editorial Review

Review

"This is the best book on American industries and can be of value to undergraduates and graduate students alike. Each chapter is economically solid and eminently readable." --Kenneth Elzinga, University of Virginia

Users Review

From reader reviews:

Lidia Hill:

Here thing why this The Structure of American Industry, Twelfth Edition are different and trusted to be yours. First of all studying a book is good nonetheless it depends in the content than it which is the content is as tasty as food or not. The Structure of American Industry, Twelfth Edition giving you information deeper as different ways, you can find any book out there but there is no reserve that similar with The Structure of American Industry, Twelfth Edition.
