A Critical Introduction to Khomeini From Cambridge University Press

As the architect of the Iranian Revolution of 1979, Ayatollah Khomeini remains one of the most inspirational and enigmatic figures of the twentieth century. The revolution placed Iran at the forefront of Middle East politics and of the Islamic revival. Twenty years after his death, Khomeini is revered as a spiritual and political figurehead in Iran and in large swathes of the Islamic world, while in the West he is remembered by many as a dictator and as the instigator of Islamist confrontation. Arshin Adib-Moghaddam brings together both distinguished and emerging scholars in this comprehensive volume, which covers all aspects of Khomeini's life and critically examines Khomeini the politician, the philosopher, and the spiritual leader. The book details Khomeini's early years in exile from Iran, the revolution itself, and events that took place thereafter including the hostage crisis and the Iran-Iraq war. Lastly, the book considers his legacy in Iran - where Khomeini's image has been used by both reformist and conservative politicians to develop their own agendas - and further afield in other parts of the Islamic world and in the West. Written by scholars from varying disciplinary backgrounds, the book will prove invaluable to students and general readers interested in the life and times of Khomeini and the politics of Islam that he inspired.

Editorial Review

Review

"This work is intended to provide advanced insight for students and researchers into the significance of Khomeini as a political innovator, religious leader, and historical figure in the establishment of the modern Islamic Republic of Iran. The essays cover topics such as Khomeini's role as a historical personality, his political philosophy and its application to the constitution and politics of Iran, his stance toward the West, and his attitudes toward issues of gender. Each contribution relates well to the theme, and the editor has done a remarkable job in integrating the work of various scholars. On the topic of Khomeini, this is one of the best works available. Summing up: highly recommended."

P. Rowe, Choice

About the Author

Users Review

From reader reviews:

Christopher Price:

Book is to be different for each and every grade. Book for children until eventually adult are different content. We all know that that book is very important for us. The book A Critical Introduction to Khomeini has been making you to know about other expertise and of course you can take more information. It is rather advantages for you. The guide A Critical Introduction to Khomeini is not only giving you far more new information but also being your friend when you feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship together with the book A Critical Introduction to Khomeini. You never sense lose out for everything in the event you read some books.

John Lien:

The book A Critical Introduction to Khomeini has a lot info on it. So when you make sure to read this book you can get a lot of help. The book was written by the very famous author. This articles author makes some research just before write this book. This specific book very easy to read you can get the point easily after reading this book.

Barbara Saddler:

As we know that book is vital thing to add our know-how for everything. By a reserve we can know everything we would like. A book is a set of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This book A Critical Introduction to Khomeini was filled in relation to science. Spend your

extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading a new book. If you know how big benefit from a book, you can really feel enjoy to read a guide. In the modern era like at this point, many ways to get book that you wanted.

Joy Carlson:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this A Critical Introduction to Khomeini can make you truly feel more interested to read.
