### A Well-Laid Trap 2: The Story Of A Professional Hotwife By Arnica Butler

In the sequel to *A Well-Laid Trap*, Paddy's gorgeous wife Jordan continues to lure other men into her irresistible honey-trap. Paddy and Jordan get more reckless and more ensnared in their own fantasy. But when Jordan is knocked off her game by a man who is not her target, the two will have to make some tough decisions about their new relationship. Have they unwittingly walked in to an all-new trap?

*A Well-Laid Trap 2* is written to be enjoyed as a standalone novel, but I recommend reading the first novel (and reading it first) for the best experience!
