Broken Soldier By Jamie Lynn Miller

SHADOW UNIT BOOK 1 - Sergeant Connor Finley and Sergeant Shawn Weller are dedicated soldiers working covert ops for Shadow Unit - a joint UK/US anti-terrorism task force.

Partners in the field and out, they had been through hell together for the last four years and made it through standing side by side. But when their latest undercover op to bring down an arms dealer plunges them into a world of drugs, sex and violence, Shawn must literally get in bed with the enemy in order to complete the mission. And Connor is forced to watch, helpless, as his partner is broken into pieces.

Will love be enough to put them both back together or will this be their final mission?

WARNING: Contains scenes of drug use, graphic sex and realistic situations

Don't miss Shawn and Connor's next mission in Rogue Soldier - available now!

"This is a wonderful story that deals with a couple who have to deal when a job causes one of them to watch the other one go through hell and back. It tests their love and the strength of their love. This story is well written and beautiful. I highly recommend it." (Originally posted at LuLu.com)

"This book is an accurate portrayal of how far one man sinks into depravity to save the lives of many at the risk of his life & his relationship with a soldier he calls his lover. Definitely worth reading. Beware though this is quite a dark read." (Originally posted at Goodreads.com)

"The author had me completely captivated with the story from the moment the mission began. It's graphic, it's brutal, it's hard to read, it's emotional, but it's real." (Originally posted at MM Book Escape)
