**Handbook of Adult and Continuing Education** From Brand: SAGE Publications, Inc

*An authoritative overview of the current state of the field of adult and continuing education*

Drawing on the contributions of 75 leading authors in the field, this **2010 Edition** of the respected **Handbook of Adult and Continuing Education** provides adult education scholars, program administrators, and teachers with a solid foundation for understanding the current guiding beliefs, practices, and tensions faced in the field, as well as a basis for developing and refining their own approaches to their work and scholarship.

Offering expanded discussions in the areas of social justice, technology, and the global dimensions of adult and continuing education, the **Handbook** continues the tradition of previous volumes with discussions of contemporary theories, current forms and contexts of practice, and core processes and functions. Insightful chapters examine adult and continuing education as it relates to gender and sexuality, race, our aging society, class and place, and disability.

## Key Features

- **Expanded coverage of social justice, the impact of technology, and the global dimensions** of adult and continuing education provides a useful update on theories and practices in the field as they have evolved during the last decade.
- **An invaluable introductory overview and synthesis** of key aspects of the field of practice and scholarship acquaints new readers to the field
- **The centrality of social justice** in adult and continuing education is addressed in a new section.
- **The broader global context** of contemporary adult and continuing education is covered in a final section.

## **Editorial Review**

### **Review**

Serving as a useful overview of the field's landscape at a given point in time and place, the *Handbook* enjoys a unique status as the point of first reference when exploring the disparate theory and practice of adult and continuing education. The 2010 *Handbook* under the skilled editorial guidance of Carol E. Kasworm, Amy D. Rose, and Jovita M. Ross-Gordon continues the informed legacy of the preceding volumes. At the same time, it advances the academic and professional substance of the field with attention to its symbiotic nature and impact on the broader society.

Published by the American Association for Adult and Continuing Education (AAACE) with SAGE Publications, the *Handbook* is a needed addition to the adult educator's professional collection. In one readable compendium it provides a baseline status report of where the field is today, its intellectual and institutional antecedents, and future directions. Practitioners and scholars in the field will find conceptual and applied material synthesized in a lucid fashion. The bibliographic citations provide a map to research and standards of practice over the past several decades.

(James K. Broomall, Assistant Provost *The Journal of Continuing Higher Education* 2011-04-28)

## **Users Review**

### **From reader reviews:**

#### **Gayle Collins:**

In other case, little people like to read book Handbook of Adult and Continuing Education. You can choose the best book if you want reading a book.
