**Intruder** By Christine Bongers

**If you like Fiona Wood, Cath Crowley or Jaclyn Moriarty, you'll love Christine Bongers' gripping new coming of age story, *Intruder*.**

*I don't walk past the house next door. I wish the woman who lives in it was dead. Which makes it hard . . . because she was the one who came running when I screamed.*

Kat Jones is woken by an intruder looming over her bed. She's saved by Edwina - the neighbour Kat believes betrayed her dying mother.

Her dad issues an ultimatum. Either spend nights next door, or accept another intruder in her life - Hercules, the world's ugliest guard dog. It's a no-brainer, even for dog-phobic Kat.

When she meets adorkable Al at the dog park, finally Kat has someone to talk to, someone who cares.

But the prowler isn't finished with Kat. To stop him, she needs Edwina's help . . . and what Kat learns could mend fences - or break her fragile family apart forever.

**WINNER, Davitt Award for Best Crime Debut Book 2015**

**SHORTLISTED, Children's Book Council of Australia Book of the Year - Older Readers 2015**

### Users Review

#### From reader reviews:

##### **Ellen Wirth:**

Here thing why that *Intruder* are different and trusted to be yours. First of all looking at a book is good but it really depends in the content than it which is the content is as tasty as food or not. *Intruder* giving you information deeper since different ways, you can find any e-book out there but there is no book that similar with *Intruder*. It gives you thrill reading journey, its open up your personal eyes about the thing that happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park your car, café, or even in your technique home by train. For anyone who is having difficulties in bringing the branded book maybe the form of *Intruder* in e-book can be your substitute.

##### **Jackie Caldwell:**

Reading can called brain hangout, why? Because while you are reading a book especially book entitled *Intruder* your thoughts will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely will end up your mind friends. Imaging each and every word written in a e-book then become one application form conclusion and explanation this maybe you never get before. The *Intruder* giving you another experience more than blown away your head but also giving you useful info for your better life with this era. So now let us present to you the relaxing pattern at this point is your body and mind will probably be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

##### **Wesley Binns:**

Your reading sixth sense will not betray a person, why because this *Intruder* guide written by well-known writer whose to say well how to make book which might be understand by anyone who also read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your hunger then you still uncertainty *Intruder* as good book not simply by the cover but also through the content. This is one e-book that can break don't assess book by its include, so do you still needing yet another sixth sense to pick this particular!? Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

**Dixie Santiago:**

Are you kind of stressful person, only have 10 as well as 15 minute in your morning to upgrading your mind expertise or thinking skill also analytical thinking? Then you have problem with the book than can satisfy your short time to read it because pretty much everything time you only find e-book that need more time to be study. Intruder can be your answer as it can be read by you who have those short time problems.
