Management: Tasks, Responsibilities, Practices By Peter F. Drucker

Management is an organized body of knowledge. "This book," in Peter Drucker's words, "tries to equip the manager with the understanding, the thinking, the knowledge and the skills for today's and also tomorrow's jobs." This management classic has been developed and tested during more than thirty years of teaching management in universities, in executive programs and seminars and through the author's close work with managers as a consultant for large and small businesses, government agencies, hospitals and schools. Drucker discusses the tools and techniques of successful management practice that have been proven effective, and he makes them meaningful and easily accessible.

Editorial Review

Review

"He covers a great deal of ground. His style is crisp, often arresting . . . A host of stories and case histories from Sears Roebuck, Marks & Spencer, IBM, Siemens, Mitsubishi, and other modern giants lend color and credibility to the points he makes . . . Most wide-ranging and comprehensive."-- "The Economist""Essential."-- "Library Journal""A landmark in management studies . . . The material covered is important to all managers regardless of functional area and size of organization."-- "Choice

Users Review

From reader reviews:

Robert Jones:

This book untitled Management: Tasks, Responsibilities, Practices to be one of several books that will best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy this kind of book in the book retailer or you can order it through online. The publisher of the book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Touch screen phone. So there is no reason to you personally to past this book from your list.

Albert Matthews:

People live in this new day time of lifestyle always try and and must have the free time or they will get wide range of stress from both day to day life and work. So , if we ask do people have spare time, we will say absolutely sure. People is human not really a robot. Then we inquire again, what kind of activity are there when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the book you have read is definitely Management: Tasks, Responsibilities, Practices.

Roderick Grubb:

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many question for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book but novel and Management: Tasks, Responsibilities, Practices or perhaps others sources were given information for you. After you know how the truly great a book, you feel desire to read more and more. Science reserve was created for teacher or even students especially. Those guides are helping them to put their knowledge. In other case, beside science reserve, any other book likes

Management: Tasks, Responsibilities, Practices to make your spare time a lot more colorful. Many types of book like here.

David Burch:

Guide is one of source of understanding. We can add our knowledge from it. Not only for students and also native or citizen need book to know the revise information of year in order to year. As we know those publications have many advantages. Beside we all add our knowledge, can bring us to around the world. By the book Management: Tasks, Responsibilities, Practices we can get more advantage. Don't one to be creative people? To get creative person must prefer to read a book. Just simply choose the best book that suited with your aim. Don't always be doubt to change your life with this book Management: Tasks, Responsibilities, Practices. You can more attractive than now.
