### Rock Medicine By Sela S. Randazzo

This book is a guide for the practical use and proper application of crystals and gemstones as tools for wellness. Stones and minerals are precision instruments capable of balancing one's mind, body, and spirit to a state of well being. The very names of individual stones often reveal their healing virtues. The only requirement for these minerals to be effective is that they must be used. The methods are simple and few.

### Editorial Review

#### Review

"As a Native American I truly understand the benefits of natural medicine. This important book can give us what we all most desire - a healthy body. It also proves, once again, that the things we really need in life have been provided for us by the Creator. Every living person should treasure the knowledge shared in Rock Medicine. -- *Hashi-Hanta, author of Pathway to the Spirit World*

#### About the Author

Sela Weidemann Randazoo has been practicing Rock-Medicine therapy for over fifteen years, and now presents classes and seminars. Sela was given the task of teaching Rock-Medicine because, as a child, she asked to help the planet. Sela Weidemann, her name, translates literally as "rock shepherd."

#### INTRODUCTION

The basic premise and intention of this book is to provide both a layman's "use guide" and a comprehensive medical text on the proper use and application of crystals and gemstones as tools for wellness.

These minerals are precision instruments capable of balancing one's mind, body, and spirit to a state of "well being." As the human being is a delicate equation of all three, it is necessary to treat all three areas simultaneously when one is out of balance. As we are three bodies in one, the spiritual, the mental, and the physical, we must understand that imbalance, as well as healing, takes place in the spiritual body first, then the mental, and finally the physical.

All forms of imbalance equate to toxicity, which in turn manifests as illness. We have not, as yet, perfected methods of diagnosing and treating precisely the imbalances that take place in the spirit. We have just begun to uncover the means of addressing the imbalances of the mind. This makes our physical body the main focus when searching for healing....
