**Sniper Elite: One-Way Trip: A Novel** By Scott McEwen, Thomas Koloniar

From the coauthor of Chris Kyle's #1 *New York Times* bestseller, *American Sniper*: In direct defiance of the president's orders, Navy Master Chief Gil Shannon, one of America's most lethal SEAL snipers, launches a bold mission comprised of SEAL Team Six and Delta Force fighters to free a captured female helicopter pilot being held by Taliban insurgents in Afghanistan.

The president is afraid a botched rescue could jeopardize US foreign policy as well as end his presidency. But once the special ops community learns that one of their own—the first female helicopter pilot of the Army's elite 160th Special Operations Aviation Regiment (SOAR)—is being held and brutally mistreated, there is no executive order strong enough to stop them from attempting to rescue her.

This fast-paced, action-packed thriller with incredibly realistic and blistering battles introduces a new American hero, Gil Shannon, whose iron will and expertise with the .308 Remington Modular sniper rifle will spell the difference between freedom and an ignoble death for America's female POW.

### Editorial Review

From Publishers Weekly

McEwen, coauthor of SEAL Chief Chris Kyle's bestselling memoir, *American Sniper: The Autobiography of the Most Lethal Sniper in U.S. Military History*, proves he also can write meaty thrillers with this intense debut. Inspired by actual Black Ops missions and stacked with a large cast of admirable and shady characters, the book opens with the terrifying kidnapping of Warrant Officer Sandra Brux by Taliban insurgents in Afghanistan. While captive, she is brutally beaten, raped, videotaped and held for a \$25 million ransom. After a series of bungled rescue attempts, it's up to Master Chief Gil Shannon, who boldly defies orders from a confused and panicked U.S. president by leading SEAL Team Six and Delta Force fighters on an insanely dangerous mission to extract Brux from enemy hands. McEwen and Koloniar convincingly capture the friction between soldiers, intelligence officers, and politicians while making timely references to the National Security Agency and women in combat. Snappy dialogue and well-timed humor offset an abundance of acronyms and technical weapons references. The brutal torture scenes and gory combat descriptions require a strong stomach, but for an unfiltered portrayal of modern warfare backed by complex yet compelling storytelling, this one hits the target.

### Review

"*Sniper Elite* is a gripping, fast paced adventure. Packed with action, it takes the reader into the shadow world of real military operations. A great read - don't miss it!" (Dan Hampton, *New York Times* bestselling author of *Viper Pilot* and *The Mercenary*)

"Finally a military novel that pays attention to detail, and tells a great story, rarely do the two go together. *Sniper Elite* gets it right. Lace up your boots tight because you're about to move out, and learn what it's like to be a SEAL sniper." (Brandon Webb, *Former Navy SEAL, Editor of SOFREP.com and the New York Times* bestselling author of *Th*)
